

Planning Application - 14/22/0051

Installation and operation of solar farm together with associated works, equipment and infrastructure on land at Ham Farm, Creech St Michael.

PLEASE NOTE

This application has been withdrawn from the agenda for the 21 May.2024.

This is due to the Department for Levelling Up, Housing and Communities having just advised the Council that they have received a request from the CPRE to undertake a screening opinion. Until this is received, the Council is not able to determine the application.

Once the Department's decision has been received the application will then be considered by the Committee at its next available scheduled meeting.
