

Appendix 2

Contract Manager Training

The numbers below are based on the contract managers listed in Somerset Councils Contract Register. The figures are the latest data set from Government Commercial College which administers the training for the Public Sector.

Work is currently in progress to update the contract managers listed within the register. Following the update training will be offered to all those identified as managing contracts. The list of those requiring training will be provided to service managers and updates on percentage completion initially provided to service managers. When the new cohort have started training progress updates will be provided to service managers and service Directors quarterly.

Total officers signed up to the Government Commercial College foundation level contract management course, 174.
