4. Options Considered and Consultations undertaken

5. Implications

- 5.1.** It is important that the Council has a formal mechanism for reviewing the gifts and hospitality register and the authority risks not discovering failings in the maintenance of the register. This could lead to not only reputational damage to the authority but personal action against individual members.
- 5.2.** The authority minimises the risks by regularly reviewing the Register and by providing regular advice and guidance to members on the proper upkeep and entry on the Register.

6. Background papers

- 6.1.** Somerset Council Constitution and Code of Conduct.
