Joint meeting with Adults and Health Scrutiny on 25 October 2023			
Somerset approach to reducing smoking and youth vaping	Kate Anderson Rachel Handley	<p>The Committee received a presentation from Public Health Team and engaged in discussions and debate of the points raised. The presentation raised several important and informative points.</p> <p>The Committee agreed a recommendation that they wished to present to The Executive and unanimously agreed would write to the Executive in relation to electronic cigarettes, as follows:-</p> <ol style="list-style-type: none"> 1. The Committee asked that the current government consultation (link to the consultation Creating a smokefree generation and tackling youth vaping: your views - Department of Health and Social Care (dhsc.gov.uk) be shared with all members who are encouraged to complete and promote locally in their divisions. The consultation runs to 6 December 2023. 2. The Committee asked that Licensing committee be asked to review and action stronger enforcement of the sale of these devices in line with the current legal position. 3. The Committee asked that the 'Quit tool not cool tool' slogan, as highlighted by the presentation be supported and promoted in the council. 4. The Committee requested that Council take a position with regard to seeking government to work at increasing legislation around electronic cigarettes, that included but not conclusive:- a ban of the use of single use devices with exception of use to support stopping smoking, a ban on child targeting (advertising and packaging), an introduction of plain packaging that would include a health warning, an introduction of an increasing age ban on sales of these devices in line with the change made to cigarette sales.
