

Scrutiny Committee – Communities – 11th December 2024 – Public Questions

Name of person submitting	Annexe A – Public Questions Question
Nick Hall	<p>Good Morning, My name is Nick Hall. I am a Pilton Parish Councillor. For the avoidance of any doubt, I am making this speech in a personal capacity. On 24th Oct 2024, ahead of the last Scrutiny Committee, and in line with your deadline, I submitted a statement with a number of questions. I did not receive answers ahead of the meeting. Mr Coles gave a brief verbal reply at the meeting but I was promised a written response. To date I have not received that response, and time is running out to make changes ahead of the 2025 Festival. You have informed me that Sarah Dowden is now responsible for answering my questions. The purpose of me speaking today is to establish when I will receive a full written response. Before Christmas?</p>
