

## Appendix 1

Does the table below include all temporary accommodation?

Yes, this covers all temporary accommodation including any use of hotel space.

What happens to someone who is within the 56 days duty but under assessment it is identified that they no longer meet that duty threshold, does our support cease?

This will be case dependant, but should this occur, it would be normal to give a reasonable period of time to vacate the temporary accommodation and the service would continue to provide advice and assistance.

The Chair thanked officers, and the Committee noted the report.
