

Dear Sir/Madam

RE: Extension of / Variation of Premises Licence
White Hart Hotel 19-21 Sadler Street. BA5 2RR

I am writing to bring to your attention that as a resident (Living alongside the White Hart Hotel) it concerns me that the extension of trading hours from 10.00pm to 1.00am will increase the noise intrusion.

Currently with the White Harts trading hours we still live with tolerable noise levels often continuing until midnight. With this extension the likely hood would be that the noise intrusion will continue into the early hours of the morning.

This is a beautiful conservation area and will not only impact residents of the surrounding area but will likely draw in a "different crowd" and cause possible altercations and is likely to spread out onto Cathedral Green.

Please take into consideration all my above comments & refuse this application.

Kind Regards Catherine Fleming
